

# LIFE'S ENERGY IN THE PALM OF YOUR HAND

## Sunmark's New Bestsellers

### Over 850,000 Copies Sold in Japan The Life-Changing, Pulsing Magic of Cleaning Up by Marie Kondo

Live in a clean room forever by using the life-changing KonMari Method for organizing and storing things. This book is based on the "once-cleaned, never-messy-again" method. The author, Marie "KonMari" Kondo, has made a name for herself as a famous cleaning consultant in Japan by creating incredible changes in rooms—turning messy, cluttered-up living spaces into something as comfortable and well-kept as a hotel suite.

Original Japanese Edition

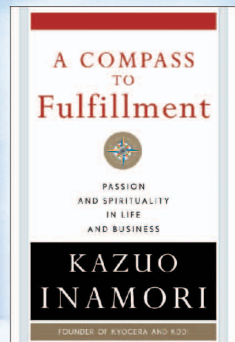

## Sunmark's Bestsellers All over the World!

### Over 570,000 Copies Sold in China A Compass to Fulfillment Passion and Spirituality in Life and Business by Kazuo Inamori

Achieving success starts from within—that's the belief that defines Kazuo Inamori and his philosophy of life and business. One of the most respected business gurus, this famous founder of Kyocera and KDDI and the new CEO of Japan Airlines as it undergoes successful restructuring, Inamori offers a visionary's view of personal success and what it means within the whole of human society.

### Over 230,000 Copies Sold in Japan What Makes THAT Good for Your Health?

The Parasympathetic Nervous System Determines the Quality of Life

by Hiroyuki Kobayashi, M.D.

Almost as important as the brain is the autonomous nervous system. Although its important role hasn't always been well understood, a stable autonomous nervous system enables breathing, regulates the heartbeat and maintains the healthy condition of our bodies. Being able to control the autonomous nervous system at will would certainly allow us to stay healthy throughout life.

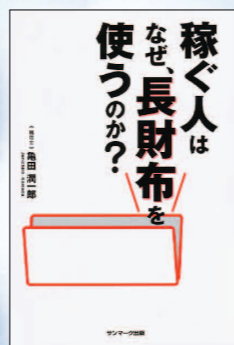

Original Japanese Edition

### Over 220,000 Copies Sold in Japan Why Successful Business People Use Big Wallets

by Junichiro Kameda

The author, a tax accountant, has seen hundreds of business owners' wallets and noticed that those who are doing well all practice one common cardinal rule: They keep their wallets well organized. A mindset that might seem to have no direct effect does in fact influence your financial situation in a big way when it's put into practice. This book is full of hands-on techniques that you'll want to use for yourself! Just try them and see!

Original Japanese Edition

### Over 400,000 Copies Sold in Taiwan The Enzyme Factor

by Hiromi Shinya, M.D.

Learn how to live a long and healthy life from a world-renowned New York- and Tokyo-based surgeon, who has carried out gastrointestinal endoscopic examinations of more than 600,000 patients.
